

The background features a faint, sepia-toned illustration. At the top is a sun with a human-like face, including eyes, a nose, and a mouth, with wavy lines representing rays. Below the sun are two figures, possibly children or young adults, standing side-by-side. They are wearing patterned tunics and have their arms crossed or are holding each other. The entire scene is set against a textured, light brown background.

XVIII. El Sol

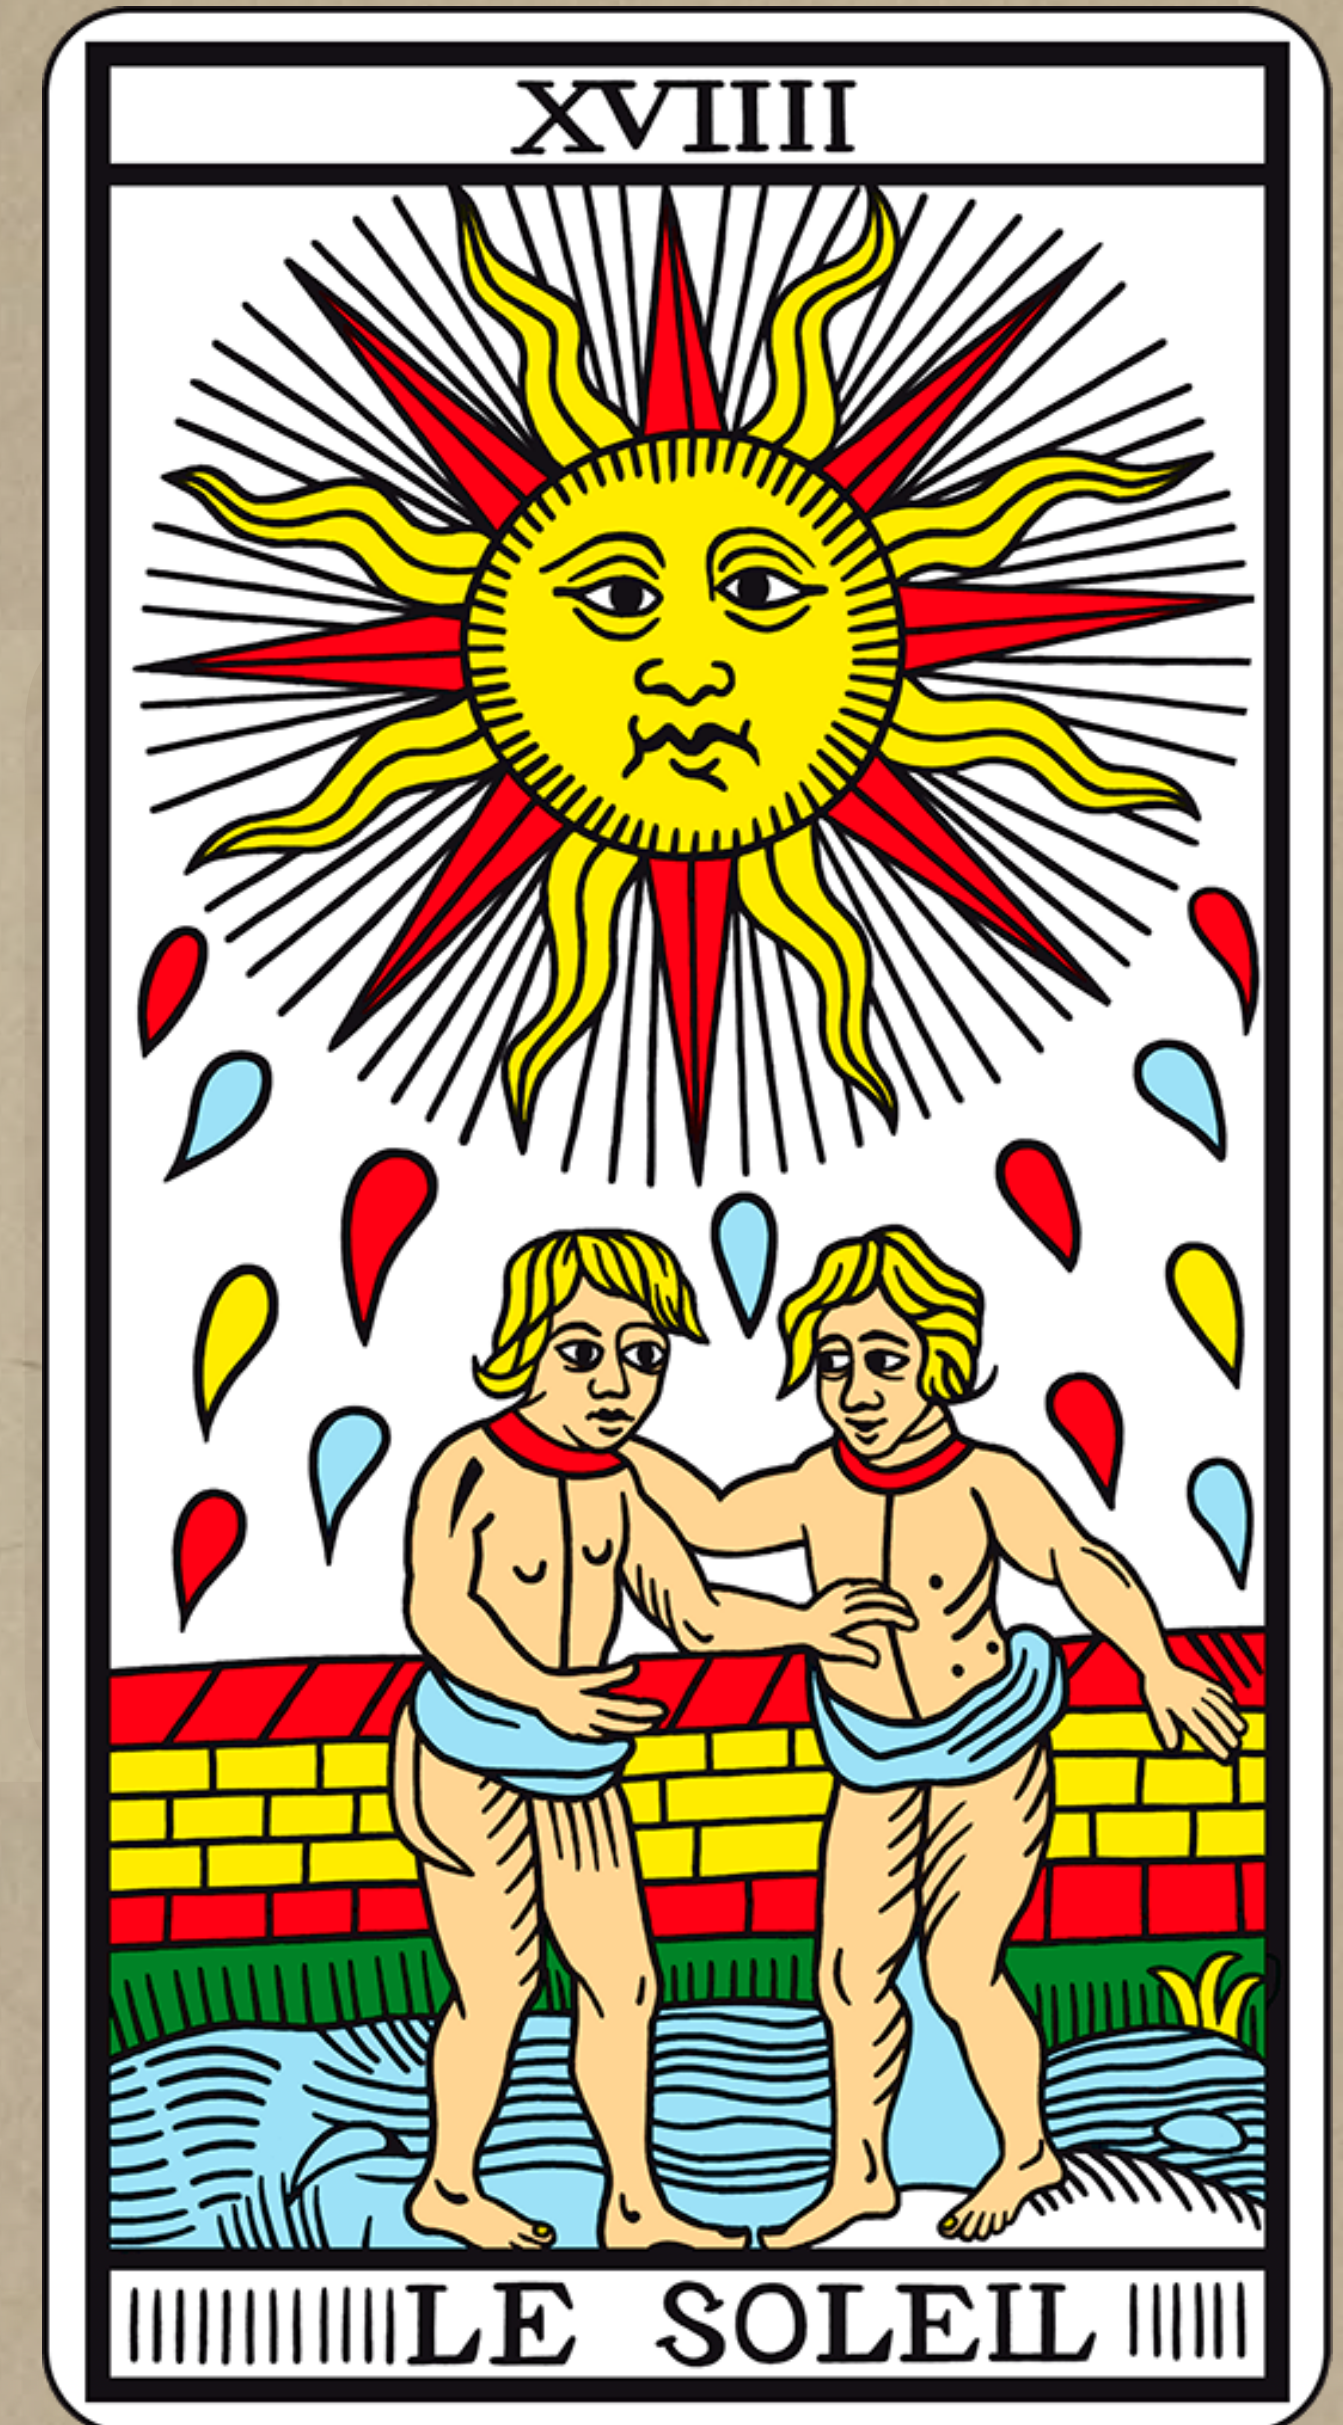

* PADRE CÓSMICO
